A municipal corporation being a public institution for self-government and improvement and local administration of the

affairs of State, its powers and functions embody its life as a social and political organism power expressing legal authority to do an act and function the duty of the municipality A municipal corporation posseses such power and such only as the statute creating it confers upon it, the statute being the measure of its powers (vide Halsbury, Vol 8, page 359)

18 The functions or duties may be classified as (1) governmental -those which affect the public welfare generally and (2) municipal - those which affect the special benefit and advantage of the community within the municipal limits The former are legal duties imposed by the statute, the latter consists of two classes -- imperative and discretionary --which the municipality is at liberty to undertake or ignore

Sec 61 of the City Municipalities Act lays down the discretionary powers of expenditure of the municipal council sub-Cl (s) of Sec 61 provides that by a resolution passed at a general meeting and supported by one half of the whole number of councillors and with the previous sanction of Government any public reception ceremony, entertainment or exhibition within the municipality, a municipal council can arrange and spend for such a function If no expenditure is to be incurred, previous sanction of Government is not necessary Organising a public reception ceremony, or entertainment is not illegal or contrary to any of the provisions of the City Municipalities Act Therefore any matter relating to this subject cannot be overruled under Bye-law 32(2)B

(9) The president has power to organise a reception [illegible] the municipality if it contravenes the provisions of Municipal [illegible] Rules or Byelaws [illegible] but I find that

6149/Law

that what has been moved is a proposition & not a resolution & therefore the section & rules quoted by the Municipal President do not specifically apply. If there are any rules of procedure applicable to propositions, they would be applicable & if there are none, the discretionary powers of the President would perhaps be the sole guide in such cases. If the rules & sections relating to resolutions are held to apply, the section quoted by the Municipal President would apply if any expenditure was to be incurred. It is desirable to clarify in the rules the powers of the President in regard to propositions.

WHY THIS MENTALITY?

WE QUITE REALISE THE possible dilemma to which the President of the Mysore Municipal Council was subjected to when he was requested to serve on the sub committee set up for the purpose of honouring Acharya Kripalani Of course the officially nominated President had no other alternative but to decline the offer Why did he exhibit this undue fear? Heavens would not have fallen if he had agreed to serve on the committee After all he is the President presiding over a duly constituted Municipal Council Whatever his official nomenclature is, he is the pilot of the Municipal show He should either swim or withdraw from the affairs of the Council He cannot possibly exhibit his mentality when distinguished countrymen visit the city of which he is the first citizen Supposing tomorrow the Council desires to honour the Dewan or some high personality will the President keep out of it? We dare say he cannot do that

But the sensational aspect of the whole debate was when the presiding authority reminded the house of some prohibitory order which was invoked for a different purpose altogether We do not know the relevancy or otherwise of this sudden outburst of warning The President himself should tell the public why he was obliged to remind the house of this order If the organizers feel that they ought to have it they will run up to the proper authority to obtain it Any man with common sense will understand that the civic address to the Congress President will form part of the proceedings and as such no permission is necessary from any Magistrate. If the Council President feels that the members ought to have the permission then Mr Bhombore will be obliged to run up and get the written permission for every Municipal meeting because visitors are allowed inside the hall Even a meeting presided over by the Dewan is governed by the order passed by the District Magistrate The mere presence of the District Magistrate will not mend matters Apart from all these we fail to understand the reason that prompted the President to warn the members Perhaps in his zeal as a Mysore Civil Servant he doesn't care who Mr Kripalani is This is the mentality of our official steel

The Jaanadu condemns the absence of the President of the City Municipal Council, Mysore on the occasion of the presentation of a civic address to Mr J B Kripalani, President of the Indian National Congress, and adds that this act of the President is certainly not in keeping with the dignity of the high office held by him. The paper wonders if the Government had instructed him not to attend the function and feels not that it was his duty to have attended the function which was organised by the Municipal Council of Mysore. The paper deplores the absence of the President of the municipal at a function arranged in honour of such a great patriot as Mr Kripalani, and concludes by adding that Mr Kripalani is quite right in condemning his absence

The "Sadhu" has written an editorial criticising the absence of the President of the city municipal council, Mysore, at the function arranged to present a civic address to Mr J.B. Kripalani, president of the Indian National Congress, and adds that such things are occurring because the President of the Municipal Council is an Officer of Government. It suggests that such ugly incidents should be avoided in the future by permitting the municipal council to elect its own President.

The Vartha reports that the City Municipal Council, Mysore has at a meeting held on the 7th April vetoed the appointment of the Central Store Keeper of the Municipality made by the President. It adds that this veto on the part of the Council is an indirect way of expressing its want of confidence in the President in view of the fact that there is no provision for a 'no-confidence' motion against the President in the Municipal Act.

Dear Mr.Pallegar,

I write to invite your kind reference to my Confidential D O letter No PC 3196 dated 1st April 1947 bringing to the kind notice of Government the resolution that was tabled by the Congress Municipal Party at the Council meeting held on 31-3-1947 to censure the President for not being present at the function on 19-3-1947 to present a Civic Address to Sjt Acharya J B Kripalani, President of the Indian National Congress and disallowing the proposition by me under Rule 32-A of the Municipal Rules and Byelaws I solicited kind instructions of Government regarding the ruling to be given in case the Congress Party were to bring another proposition with proper notice. I am awaiting kind instructions of the Government

In the meanwhile, as anticipated by me, the Municipal Congress Party have yesterday (10-4-1947) sent to me a written request signed by the members of the party to call for a Special General Meeting of the City Municipal Council for the purpose of considering the following two resolutions -

1 'Resolved that this Council expresses its want of confidence in the present President

2 Resolved that the Government be requested to take action under Section 23 (11) of the City Municipalities Act against the President and to remove him from his office, on account of neglect of and his failure to perform his duties as President which has resulted in inefficient administration '

Since the censure motion which they tabled on 31-3-1947 was disallowed by me they have now proposed to move the above two resolutions The charge against the President is neglect of and failure to perform his duties as President It is not clear from the resolutions in what respect there is neglect and failure in my duties as President I took charge of this Municipality early in November 1943 In January 1944, the Council was re-constituted Again, after 3 years there was further constitution with effect from 2nd January 1947 and the

present Council is only three months old Most of the Congress members who were Councillors in the previous Council are members of the present Council The previous Council had occasion to watch the work of the President for full three years and the Administration Reports for the three years which they have unanimously passed go to show their appreciation of the work of the President and the executive staff The reports show that from year to year there has been marked progress in several directions and the finances of the Municipality have increased very appreciably I give below a few figures to support the statement:-

Year	Total Receipts
1942-43	10,55,618/-
1943-44	11,32,899/-
1944-45	12,95,302/-
1945-46	14,09,812/-

Year.	Municipal Taxes - Collection	Percentage
1942-43	6,80,658/-	83 3%
1943-44	7,20,023/-	91 1%
1944-45	7,92,350/-	93 0%
1945-46	8,84,918/-	*95 0%

(* Record collection in this Municipality).

Year	Octroi	Market & Slaughter House
1942-43	2,27,108	95,296
1943-44	2,77,272	1, 03,291
1944-45	3,18,955	1, 18,016
1945-46	3,82,744	1, 22,068

I may also state in this connection that the progress of work in the Trust Board was equally satisfactory as may be seen from the figures given below* The Government are aware of the various improverent schemes and formation of big extensions that were taken up during my term as Chairman of the City Improvement Trust Board

Year	Receipts
1942-43	4,30,879/-
1943-44	6,68,226/-
1944-45	11,21,577/-
1945-46	11,35,673/-

These figures speak for themselves When the Administration Report for 45-46 was placed before the Council, it was approved and passed unanimously and the leader of the Congress Party Mr B. Narayanaswamy speaking at the time on behalf of his party stated 'that comparing the report for 45-46 with those for the last

10 years, this year's report may be said to be progressive During the last meeting of the previous Municipal Council held on 23rd December 1946, Mr.B.Narayanaswamy, the leader of the Congress Party remarked as follows -

He said "that he was expressing the views of his party and he wanted to state before the Council that it was not the usual policy of their party to flatter Government Officers or to honour them with their appreciation But, he said, wherever there was goodness, efficiency, they were willing to own it irrespective of whether the gentleman is a Government officer or a non-official Personally speaking, Mr R.Ramachandra Rao Bhombore had for the last three years rendered the best possible services with complete harmony and concord with the Councillors He said that such worth should be recognised by everyone He further stated, to-day Mr.Ramachandra Rao Bhombore may be an official President and to-morrow he may become our non-official President While speaking in high terms about Mr R Ramachandra Rao Bhombore, he referred also to the valuable services rendered by the Sectional Officers and all the staff of the Municipality and said that all of them had rendered very best services to the Council and they were to be greatly commended He said that their object was to make Mysore Municipality an ideal one He thanked them all on behalf of the Council "

A perusal of the full proceedings of this meeting will show the appreciations expressed by a large number of members belonging to Congress Party and otherwise The above opinion was expressed by the Mysore City Municipal Congress Party just three months ago and the leader has stressed that the present President had for the last three years rendered the best possible service Notwithstanding these appreciations and encomiums and the marked progress shown in the Administration year to year for the last three years and just three months after giving expression to the above appreciation, the Congress

Party has suddenly found their President guilty of neglect of his duties which has resulted in inefficient administration Although I could not attend the meeting in the Town Hall and participate in the presentation of the Address to the President of the Indian National Congress, I gave every help that was asked for by the Vice-President who was the Convenor of the Sub-Committee that was formed to make the arrangements and the arrangements were appreciated by the Congress Party members Considering my absence at the meeting as a serious dereliction of duty as Municipal President the Municipal Congress Party has determined to cause me public humiliation by tabling censure motion and no-confidence motion and even to go to the length of requesting the Government to remove me from my office and the reason attributed for such removal is neglect and failure to perform duties as President which has resulted in inefficient administration The facts, however, are quite otherwise, and as may be seen from the brief account I have submitted above, there is every reason for the Council to congratulate me on the marked progress and efficient administration as admitted by the members of the Municipal Congress Party themselves so recently as in December 1946

I beg to submit that for the hard and honest work that I have turned out even at the risk of ruining my health during very difficult times, I do not deserve such mean treatment from the City Municipal Congress Party, which is the out-come of their wounded vanity I have only carried out instructions of Government and I expect full protection from Government for the preservation of my reputation and fair name

I request the favour of immediate instructions of Government as to the manner in which I should treat the request of the Congress Party

Mysore.

Respected Sir,

We, the loyal citizens of Mysore respectfully beg to bring the following few lines for your deep consideration and suitable orders in the interest of Justice, fairplay and dignity of our State

We are much grieved to hear through the Press that a political party in the Mysore City Municipal Council has tabled two resolutions against Mr R Ramachandra Rao Bhombore, B A , President namely (1) the Council have no confidence in Mr R Ramachandra Rao Bhombore (2) The Council resolves that Mr R Ramachandra Rao Bhombore should be transferred at once in view of his inability to manage

As we are all aware of, the honest and sincere services of Mr Ramachandra Rao Bhombore are flawless and praise-worthy With the kind sanction of the Government he has done a lot of good to the citizens in respect of roads, sanitation, housing problem and particularly the upliftment of Harijans The Revenue both in the Municipality and Trust Board have increased and there is very great satisfaction in the minds of the ratepayers generally

We know how the Bannimantap locality is improved and we are fully aware of the great satisfaction and kind approval not only of the Government but also of our Beloved Sovereign

The copy of the extract of the high appreciation of the party very recently made corroborates fully with our statements made above

Now presumably with a set purpose best known to the party itself they have tabled these two un-dignified resolutions unowrthy of being placed on records of the premier Mysore City Municipality which is said to be a model one even by the foreigners

We now write to request you either to stay the meeting by passing a special order or direct the party to withdraw the resolutions in question and thus maintain not only the prestige of the high office of the President (Deputy Commissioner) but also the worthy name of our model State

We shall be ever-grateful to you and the Government if you would be pleased to take action as requested above or such action as you deem suitable in safeguarding the interest of the high position and person of the officer who has been so loyally, sincerely and sympathetically discharging his duties in the most constitutional manner.

We beg to request you to take early action before it is late

Thanking you,

We beg to remain,

He further said, to-day Mr.R.Ramachandra Rao Bhombore may now be an official President and to-morrow, he may become our non-official President. He said that a new power was pervading the world and the world was evolving. The newly constituted Council would be coming into office early in January next. While speaking in high terms about Mr.Ramachandra Rao Bhombore, he referred also to the valuable services rendered by the Sectional Officers and all the staff of the Municipality and said that all of them had rendered their best services to the Council and they were to be greatly commended.

He said that their object was to make Mysore Municipality an ideal one. He thanked them all on behalf of the Council.

STATEMENT ISSUED BY MIR NOOR HUSAIN, M A , LL B
R A. MEMBER & MUNICIPAL COUNCILLOR MYSORE

A, 666 17/4/47

The News papers have flashed a piece of news which though tapped from an unauthorised source surprises me it says that 23 members of the Mysore City Municipalx Council have tabled 2 resolutions to be discussed at a special meeting - one expressing the want of confidence in the President, City Municipal Council and another requesting the Government to transfer the President, as he has failed to perform his duties The resolutions have only been tables and their claim to be admitted is yet under consideration it is therefore, unfair that without their being admitted the press has given wide publicity of these resolutions

I must also say that the press has refrained from saying anything about the creed to which the 23 members of the Municipal Council who have tabled the resolutions belong , that is another injustice I need hardly say that the sponsors of these resolutions are the members of the Municipal Congress party from whom such moves are not surprising ~~X~~ I am only sorry that they should have sprung such a surprise on us all, without taking us into confidence They have a majority in the Municipal Council and it is that pride of majority and that boast of power which they command that makes them do and undo things

The first resolution that the Congress party seeks to move has no place in any meeting special or ordinary of the Mysore City Municipal Council, whose president is not an elected gentleman, but an officer who has been appointed by the Government and whose term of office depends on the decision of the Government and their good pleasure If the Municipal Council moves a resolution of No confidence, it has no effect on the position of the President even if the resolution is passed unanimously I am surprised that the members of the Municipal Congress party many of whom are

P.t.o.

good parliamentarians have forgotten this essential of parliamentary procedure The second resolution is a request to the Government for the transfer of the Municipal President and this resolution is inconsistent with the first resolution

I feel that the Congress party of the Municipal council has tabled the resolutions without serious thought on the matter Personally I am against establishing such a dangerous precedent of allowing such resolutions to be tabled or discussed in the Municipal Council, because it is very unsafe to invent such a weapon which is liable to be misused

Regarding the merits of the resolutions I am constrained to say that the resolutions seek to give a wrong notion of the incapacity and inefficiency of the President who has done nothing to justify such a treatment towards him I am not aware of any act of commission or omission committed by the Municipal President for the term he has been in office I feel that his period of service as the Municipal President has been marked by a good deal of improvement in the Civic affairs of Mysore I know that he was called upon to serve as the President of the Mysore City Municipal Council at a time when the War was at its climax and the City Municipality was faced with problems of unprecedented magnitude The Municipal President unfortunately was loaded with multifarious responsibilities and the manner in which these responsibilities have been discharged by the present President should deserve nothing but admiration,

(Contd)

because he has reconciled many inconsistent duties and has pilated the City of Mysore towards peace & prosperity. I ask my friends of the Municipal Congress party to take a just view of things and not to deny his due even to the devil I know that the official President has been an eyesore of the Municipal Congressites who desire that no office of pomp and power should be denied to them I have my sympathies with their ambitions, but I certainly do not see any justification in adopting backdoor methods of accomplishing our ambitions It has been my regret that the Municipal congress party has never been a friend to the Independants who sit along with them in the Municipal Council they have not even taken us into confidence and in important matters have almost ignored us because they know that they command a clear majority which does not necessitate our co-operation

I feel that this is a matter for the Government to intervene and to direct the Municipal Council to confine itself to its legitimate duty In doing so the Government would be justified because the Municipal President is protected as a Government servant discharging his duties x without fear or favour if the Government does not intervene the Municipal President will have to submit to the dictates of the majority Such submission will not be congenial to the efficient management of the civic affairs as it would expose him and his successors for ever to the domination of the majority I am only sorry that the Municipality of the capital of the model state, should have become an arena of personal quarrels

Statement issued by Mir Noor Hussain, M.A.,LL.B.,
R.A.Member and Municipal Councillor, Mysore

The News papers have flashed a piece of news which though tapped from an unauthorised source surprises me. It says that 23 members of the Mysore City Municipal Council have tabled 2 resolutions to be discussed at a special meeting - one expressing the want of confidence in the President, City Municipal Council and another requesting the Government to transfer the President, as he has failed to perform his duties. The resolutions have only been tabled and their claim to be admitted is yet under consideration. It is therefore, unfair that without their being admitted the press has given wide publicity of these resolutions.

I must also say that the press has refrained from saying anything about the creed to which the 23 members of the Municipal Council who have tabled the resolutions belong, that is another injustice I need hardly say that the sponsors of these resolutions are the members of the Municipal Congress party from whom such moves are not surprising. I am only sorry that they should have sprung such a surprise on us all, without taking us into confidence. They have a majority in the Municipal Council and it is that pride of majority and that boast of power which they command that makes them do and undo things.

The first resolution that the Congress party seeks to move has no place in any meeting special or ordinary of the Mysore City Municipal Council, whose president is not an elected gentleman, but an officer who has been appointed by the Government and whose term of office depends on the decision of the Government and their good pleasure. If the Municipal Council moves a resolution of No Confidence, it has no effect on the position of the President even if the resolution is passed unanimously. I am surprised that the members of the Municipal Congress party many of whom are good parlimentarians have forgotten this essential of parliamentary procedure The second resolution is a request to the Government for the transfer of the Municipal President and this resolution is in-consistent with the first resolution

I feel that the Congress party of the Municipal Council has tabled the resolutions without serious thought on the matter. Personally I am against establishing such a dangerous precedent of allowing such resolutions to be tabled or discussed in the Municipal Council; because it is very unsafe to invent such a weapon which is liable to be misused.

Regarding the merits of the resolutions I am constrained to say that the resolutions seek to give a wrong notion of the incapacity and inefficiency of the President who has done nothing to justify such a treatment towards him. I am not aware of any act of commission or inission committed by the Municipal President for the term he has been in office. I feel that his period of service as the Municipal President has been marked ex by a good deal of improvement in the civic affairs of Mysore. I know that he was called upon to serve as the President of the Mysore City Municipal Council at a time when the War was at its climax and the City Municipality was faced with problems of unprecederted magnitude. The Municipal President unfortunately was loaded with multifarious responsibilities and the manner in which these responsibilities have been discharged by the present President should deserve nothing but admiration; because he has reconciled many inconsistent duties and has piloated the City of Mysore towards peace and prosperity. I ask my friends of the Municipal Congress party to take a just view of things and not to deny his due even to the devil. I know that the official President has been an eyesore of the Municipal Congressites who desire that no office of pomp and power should be denied to them. I have my sympathies with their ambitions, but I certainly do not see any justification in adopting backdoor methods of accomplishing our ambitions. It has been my regret that the Municipal Congress party has never been a friend to the Independants who sit along with them in the Municipal Council. They have not even taken us into confidence and in important matters have almost ignored us because they know that they command a clear majority which does not necessitate our co-operati

I feel that this is a matter for the Government to inter-

vene and to direct the Municipal Council to confine itself to its legitimate duty. In doing so ~~xkxx~~ the Government would be justified because the Municipal President is protected as a Government servant discharging his duties without fear or favour. If the Government does not intervene the Municipal President will have to submit to the dictates of the majority. Such submission will not be congenial to the efficient management of the civic affairs as it would expose him and his successors for ever to the domination of the majority. The main point for consideration is whether the President is bound to call for a special meeting on the requisition of the Councillors, even though the proposition to be considered at the special meeting is in his opinion ultra-vires and the special meeting cannot be convered under sec.27(3) of the City Municipalities Act and whether his refusal to call for such a meeting, after ruling out the proposition as out of order constitutes a 'failure' contemplated under Sec 27(2) of the City Municipalities Act.

Kind reference is invited to the opinion of the Law Secretary in the linked file (4311/Law), where it was held that a no-confidence motion against the President cannot be passed by the Municipal Council under Sec 23(10) of the City Municipalities Act It is clear that the resolution is ultra-vires of the Municipality and the Municipal President was right in disallowing the resolution as ultra-vires Bye-law 32(2)(B) specifically provides that the President shall disallow any resolution when in his opinion it contravenes the provisions of the Municipal Regulation, Rules or bye-laws thereunder.

Sec.27(2) of the City Municipalities Act provides that the President may, whenever he thinks fit and shall, upon the written request of not less than 1/3 of the whole number of councillors and for a date not more than 15 days after the presentation of such request, call a special general meeting If the President fails to call a special general meeting as provided in this Sub-section, the Vice-President or 1/3 of the whole number of councillors may call such meeting for a day not more than thirty days after the presentation of such request

Two things are necessary for the validity of a special meeting (1) that the authority exists to call such a meeting, and (2) that it is called pursuant to such authority, provided, however, that the proposition relates to matters conrected with the Municipal administration and is not inconsistent with the provisions of the Act The Chairman on taking chair, becomes invested with prima-facie authority to regulate and control the proceedings of the meeting, including the right to decide whether motions are in order In the exercise of this authority the Chairman must act bone-fide When a Council passes an ultra-vires and void resolution re-consideration and rescission thereof is not necessary (vide Law of Municipal Corporations, Sharma page 163) 'Ultra-vires acts are void ab-initio and cannot,

✓ 9401 4763 ✓ 4792 - 6w ✓

No-confidence motion - Mysore City Municipal Council proceedings of

therefore, be ratified The President though otherwise bound to call for a meeting under sec 27(2), rightly disallowed the resolution as falling outside the purview of the powers granted under statute There is, therefore, no 'failure' as such to call for a meeting under sec 27(2), the proceedings of the subsequent meeting are also void as the resolutions are clearly ultra-vires of the Municipal Council

Respected Sir

We the members of Rajaput Community of mysore city regret to read in Papers, that a political party in the Municipal Council of mysore city, have proposed to launch a no-confidence Motion, against the President Mr Ramachandra Rao Bombhore B.A

The entire population of the Mysore city are fully aware of the yeomen services, rendered impartially and without any Caste prejudices, by the president Mr Ramachandra Rao Bombhore to the public of mysore, for the last 3½ years

The services rendered by the president in respect of the expansion of the city, formation of roads, Construction of buildings, Sanitation, and other important improvements, done for the welfare of the public, specially to the Poor and backward classes, are really praiseworthy, and the public consisting of all communities are fully satisfied and have nothing to complain

Even His Highness the Maharaja Saheb and the Government have appreciated the good work and services rendered by the President Such being the Cases the Present actions of the said Party, (who themselves highly appreciated his services recently) in bringing a no-confidence Motion, seems to be outrageous and ultra Virus, done with some prejudicial motives

A1
Self
19/4/47

The above party were elected by the rate payers and citizens of Mysore city, to represent the public, and safeguard the welfare and interest of the citizens who elected them - They are expected to propose and discuss routine matters concerning the welfare of public

But in an important matter like the launching of a no-confidence motion, against a responsible Government officer, the above members seem to have no right to act independently without obtaining the consent of the public, who elected them

Under the above circumstances, we the members of Rajaput Community of Mysore, humbly beg to represent that the proposed motion of the above Party may be kindly ordered to be withdrawn or ruled out, as it is improperly proposed, without consulting and obtaining the consent of ratepayers who elected them, and also done with a prejudicial motive, to bring a stain on the fair name of the President Mr Ramachandra Rao Bombhore, and to request you to see that he is continued as President, in the best interests of the citizens of Mysore

Dear Sir,

With reference to your letters Nos. P.C.3260 dated 11th April 1947 and P.C.3226 dated 16th April 1947 soliciting instructions with regard to the notice issued by the Municipal Congress party of the City Municipal Council requesting the President to call for a special meeting to consider two resolutions against the President, I am desired to inform you that the President of the City Municipal Council, Mysore is appointed by the Government by name under Section 23(2)(c) of the City Municipalities Act and he is a salaried servant of the Government The vote of no confidence that can be ~~proposed~~ passed under Section 23(10) of the Act refers only to Presidents other than salaried servants of Government appointed ex-officio or by name. There is no provision for a resolution of no-confidence against ~~the~~ a President, ~~He~~ who is a salaried servant of Government appointed ex-officio or by name within the purview of Section 23(2)(c)

Again, it is the Government that is empowered under Section 23(11) to remove the President for misconduct in the discharge of his duties and this power is ~~invested~~ not vested in the Municipal Council

In the light of the above statutory provisions, the resolutions of which notice has been given by the Congress Municipal Party are ultra vires of the power of the Municipal Council and are therefore liable

Dear Sir,

In reply to the Correspondence ending with your letter No P-C 3216 dated 11-4-1947, in regard to the Construction moved by the Mysore Party of the Mysore City Municipal Council which was disallowed by You under Rule 32 A of the Mysore City Municipal Rules and Byelaws, I am directed to invite reference to Sub clause (5) of Section 61 of the Mysore Municipalities Act 1933 and to state that Organising a public reception, Ceremony or entertainment is not illegal or contrary to any of the provisions of the City Municipalities Act 1933

As no Expenditure was involved to be incurred out of Municipal funds, in this behalf, previous sanction of the said Govt is not also necessary

I am to point out that the Municipal precedent has under

WD 0135—GPB—10 000—17-10-33

Section 32 (B) of the Municipal Rules and Byelaws, power to overrule a Resolution of the Municipal Council if it contravenes the provisions of the Municipal Act, Rules or Byelaws there under

But in the present case it is seen that what has been moved is a proposition and not a Resolution Government consider that the Section and the Rule invoked by you do not specifically apply to the present case

Respected Sir,

We, the loyal citizens of Mysore respectfully beg to bring the following few lines for your deep consideration and suitable orders in the interest of Justice, fairplay and dignity of our State

We are much grieved to hear through the Press that a political party in the Mysore City Municipal Council has tabled two resolutions against Mr R Ramachandra Rao Bhombore,B A President, namely (1) the Council have no confidence in Mr R Ramachandra Rao Bhombore (2) The Council resolves that Mr R Ramachandra Rao Bhombore should be transferred at once in view of his inability to manage

As we are all aware of, the honest and sincere services of Mr Ramachandra Rao Bhombore are flawless and praise-worthy With the kind sanction of the Government he has done a lot of good to the citizens in respect of roads, sanitation, housing problem and particularly the upliftment of Harijans The Revenue both in the Munidipality and Trust Board have increased and there is very great satisfaction in the mindsof the ratepayers generally

We know how the Bannimantap locality is improved and we are fully aware of the great satisfaction and kind approval not only of the Government but also of our Beloved Sovereign

The copy of the extract of the high appreciation of the party very recently made corroborates fully with our statements made above

Now presumably with a set of purpose best known

to the party itself they have tabled these two un-dignified resolutions unworthy of being placed on records of the premier Mysore City Municipality which is said to be a model one even by the foreigners

We now write to request you either to stay the meeting by passing a special order or direct the party to withdraw the resolutions in question and thus maintain not only the prestige of the high office of the President (Deputy Commissioner) but also the worthy name of our model State

We shall be ever grateful to you and the Government if you would be pleased to take action as requested above or such action as you deem suitable in safeguarding the interest of the high position and person of the Officer who has been so loyally, sincerely and sympathetically discharging his duties in the most constitutional manner

We beg to request you to take early action before it is late

Thanking you,

We beg to remain,

I enclose a copy of the proceedings of the Meeting for the information of the Government

Letter dated 29th April 1947 from Mr T Mariappa, B A ,LL B , Leader, Mysore City Municipal Congress Party, Mysore, to the President, City Municipal Council, Mysore

---

With reference to your letter No.PC.3231 dated the 23rd April 1947, holding that the two resolutions sent up by me and 22 other Councillors, are ultravires of the powers of the Municipal Council, I write to state that your interpretation of Section 23(10) and 11 and 27(3) of the City Municipalities Act and rule 32 II-B of the Rules and Byelaws, is not correct and the two resolutions are perfectly in order I may add that Section 27(2) is the proper and mandatory provision under which the President is bound to call for a special General Meeting and section 27(3) is merely procedural Hence you cannot take shelter under that sub section The first resolution is not ultravires of section 23(10) and merely expresses no-confidence There is no prohibition in the Act or Byelaw for the moving of such a resolution on the passing of the resolution the President will not be deemed to have vacated his seat, in the case of a salaried servant of Government So the resolution is in order

The second resolution requests the Government to take action under section 27(11) and as such is also in order You may recapitulate, that almost at every meeting the Council has passed resolutions requesting Government to take action, some of which are not entirely within the purview of the Municipal Council Therefore in any view of the matter the resolutions do not contravene nor are they inconsistent with the provisions of the Act or Byelaws I am constrained to observe that you have "failed to call a Special General Meeting under Section 27(2). I request you to kindly revise your views in this respect and to issue notices before the 30th evening for the Special General Meeting, to consider the two resolutions If you fail to comply with this request, the Vice-President will be requested to take action under Section 27(2)

Copy of this is forwarded with compliments to the Vice-President, City Municipal Council,Mysore

Dear Mr.Mariappa,

Your letter dated 29th April 1947 was put into my hands at 3 P.M. today when I came to office after attending to the Trust Board Meeting and write to state as follows:-

After a careful consideration of all the points I have come to the conclusion that the propositions sent by you were inadmissible. The admissibility of the propositions is one of or rather the main if not the sole condition precedent for the calling of the meeting. Since the propositions are not in themselves admissible in my opinion I could not call for a meeting for the specific purpose of considering the disallowed propositions. As such I have not failed to call for a meeting as contemplated in the Act and I am sorry I cannot revise my opinion.

If you do not agree with my opinion, the proper procedure would be for you to approach Government and obtain their definite orders in the matter.

As regards the last sentence of your letter, I have to state the Vice-President or the Councillors may call for special meeting only when the President fails to call for the meeting. As pointed out above, I have not failed to call for a meeting within the meaning of the Act.

I believe that the Vice-President and the Councillors realise the gravity of the step that they propose to take and I hope that you will dispassionately consider all the points and come to a wise decision.

Yours sincerely,
Sd.R.Ramachandra Rao Bhombore.

TUG OF WAR

THERE SEEMS TO BE A CURIOUS tug of war between elected members of the Mysore City Municipal Council and the officially nominated President Instead of facing the house for a straight vote of confidence or no confidence the President seems to allow himself to get encomiums from people who cannot judge his work or merit After all the President is there to perform statutory obligations under the rules of the City Municipalities Act Any President worth his salt should get on with his Council and not get enthused because some one comes to his bungalow with a garland and a lime fruit We have carefully scrutinized the sponsors of the Town Hall meeting and we do not credit them with any political or civic understanding They have wasted their time and breath over something which is not in their purview If the twenty three councillors do not want their President the presiding authority has to quit It is a curious episode in the annals of Municipal history that the President is nominated by the Government He allows himself to be transferred or promoted to a higher job At the same time he has to negotiate a statute All these are paradoxical

We hope the President of the Mysore Municipality will face the house for a vote of confidence If he is not wanted he can apply for a transfer If he gets on well he will get encomiums from his Councillors similar to the one showered upon him by some people in Mysore

Dear Mr Narasihma Iyengar,

I have just seen (8P M) your notice cat| dated the 3rd instant calling for a special meeting on the 6th at 4-30 P M

As regards my not calling a special meeting inresponse to the notice of 23 members, I have already ~~s~~ given reasons consistent with the law so far as I understand it Mr Mariappa has said in his letter dated 29th April 1947 to the President that if the President did not call for a special meeting as per the original request, he would request the Vice President to take action under section 27(2).

Your presnet notice of the 3rd May 1947 does notx specify that Mr Mariappa has made any such request to you As such I fear that your action in issuing the notice for the special meeting of the 6th instant as Vice- President is ultra-vires

I may also say that the subject in question is not of any urgent nature and the short notice given I fear, is not inaccordance with the general provisions.

Yours Sincerely

MYSORE

Date 13th-May, 1947.

Dear sir,

In continuation of the correspondence ending with my D O. letter dated the 6th May 1947, I enclose a copy of the letter received from the Vice-President, intimating that a Special Meeting of the Council was held under his Chairmanship as Vice-President on Tuesday the 6th instant and enclosing a copy of the proceedings of the Special Meeting convened by him, for being forwarded to the Government etc., In this connection, I write to state that the Vice-President has called for the meeting on his own initiative although there was no requisition for the same by the Councillors, in spite of my having declared twice that the propositions intended to be moved by the 23 members of the Municipal Council were ultra-vires The meeting and its proceedings are, as such, invalid and cannot find a place in the minutes of the proceedings

Besides this, out of total number of 30 Councillors, only fifteen (15) Councillors of the Congress Party seem to have attended the meeting This shows that there is sharp difference of opinion with regard to the procedure adopted by the Vice-President and some of the Councillors. The attitude adopted by the Vice-President and the Councillors in holding a meeting after the unequivocal ruling of the President deserves due notice by Government

I request that a clear ruling may kindly be given by Government in the matter to obviate the recurrence of such incidents Whether the President is bound to call for a Special Meeting on the requisition of the Councillors even though the proposition to be considered at that Special Meeting is, in his opinion, ultra-vires and the Special Meeting cannot be convened under Section 27(3), and whether his refusal to call for such a meeting after ruling out the proposition

B | as out of order, constitutes a 'failure' contemplated in Section 27(2) of the Municipalities Act is the point at issue. I am seeking definite orders of Government for guidance as this is the main point on which so much - contraversy has arisen.

Yours sincerely,

Letter dated 1st May 1947 from Mr B Narayanaswamy expressing his thanks for the sympathy extended to him and his family on the demise of his mother

Recorded

Before the Meeting Proceedings commenced, Mr T Mariappa said that a Meeting which had been adjourned once, could be adjourned only by the council and not by the President and quoted an instance, which had recurred during the time of Mr B T Keshava Iyengar The President said that there was no definite byelaw in the matter and that he was not aware of the instance quoted by Mr T Mariappa

Mr T Mariappa then stated that he wanted to know whether the Proceedings of the Special Meeting held on 6-5-1947 under the Chairmanship of the Vice-President had been written up in the Proceedings Book The President said that he had already given his opinion that the propositions were Ultra Vires and that the Vice President had sent a copy of the proceedings to him to be sent to Government and accordingly he had sent it to Government for orders

Then Mr T Mariappa moved the following proposition -
"Resolved that the meeting of the Municipal Council be adjourned to 4 p m ,on 22-5 1947"

This was duly seconded by Mr A Krishnamurthy Rao and was carried

Adjourned Ordinary Meeting of the Municipal Council held on Thursday the 15th May 1947 at 4-30 P M , in the Municipal Offices

****

The leave applications of Messrs F C Devaraj Urs and A Venkatesiah were read and recorded The letter of Mr B Narayanaswamy, Municipal Councillor expressing his thanks to the Council for their sympathy extended to his family at the sad demise of his mother were read and recorded

Before commencing the meeting, Mr T Mariappa said that there was one important thing He said that the previous meeting had been arranged to be held on 10-6-1947 but the same was further adjourned to 15-5-1947 without the consent of the Council According to Law, this is an incorrect procedure The President has no powers to adjourn any meeting for a second time So this meeting is against rules On a previous occasion, Government had definitely clarified a similar case It is only the Council that could adjourn the meeting under the present circumstances Then he quoted page 24 Subclause 13

President -I know I cannot adjourn a meeting But I only changed the date of the adjourned meeting But even now, you can cure any irregularity and co-operate with me in getting through the business as there are a number of important subjects pending from a long time There are a few points to be considered Firstly the date was not fixed at the last meeting It was adjourned SINE DIE Then it was fixed for 10th by me But when it was found that for reasons which could not be anticipated, the meeting could not be conducted on that day, the President without loss of time intimated that the meeting would be conducted on the 15th instant

Mr T Mariappa -You should have taken our consent at least by circulation We should not overlook the legal aspect He then wanted to know whether the proceedings

of the meeting held on 6-5-47 under the Chairmanship of the Vice-President had been written up in the Agenda Book and that until that is written, we do not want to participate in any of the Council activities

The President said - I have given my opinion that the meeting of 6-5-1947 was Ultra Vires Moreover, the Vice-president sent me a letter forwarding a copy of the proceedings of the day and requested me to forward the same to Government I have sent it to Government for orders Let us wait

Mr W H Theobald -The majority party do not look to the difficulties of other Councillors , I have sacrificed my time, a lot of work and also spent tonga hire etc

Mr Mariappa -This is also a meeting This work is also Council work - to uphold the legality of the procedure

Mr Theobald -Please supply us with copies of byelaws This will help us

President -This has nothing to do with the Byelaws This has been sprung upon me and you as a surprise

Mr Mariappa -It is very essential that the proceedings should be pasted in the Proceedings Book The meeting may be adjourned

He then moved as follows -

"Resolved that the meeting of the Municipal Council be adjourned to 4 p m ,on 22-5-1947"

This was seconded by Mr A Krishnamurthy Rao

The president explained the difficulties about the date suggested by Mr Mariappa, and said "In the interests of work I appeal that we might go on with today's meeting - with the agenda on hand " But the members persisted in having the meeting adjourned The meeting was accordingly adjourned to 22nd May 1947 at 4 P M

The Minister for Public Health,
Government of Lysore,
Bangalore

Honoured Sir,

We the undersigned humbly and respectfully beg to submit the following for favour of kind information and sympathetic consideration.

We beg to state that we belong to Left-hand Adikarnataka community. We reside in Jalapuri Extension Mysore City. We are extremely poor and helpless. The work that has been done by our benign Govt. with regard to the uplift of the depressed classes in the State is highly commendable.

We beg to state that we learn that the Mysore City Congress Municipal Councillors have brought a non-confidence motion on our President Mr. R. Ramachandra Rao Bhombore. In this connection we beg to submit that eversince the inception of Municipality in Mysore City not even one predecessor of Mr. R. Ramachandra Rao Bhombore cared for the progress of our community in this capital City of Mysore.

But the present President has been the protector of x Depressed classes. He frequently pays surprise visits to our localities and inquires into our grievances in person. He has done a lot of work in connection with our amelioration and awakening. Still he has got many schemes on hand to this effect. He hears all people with equal justice and he is easily accessible to both rich and poor alike. The motion of non-confidence on the present President, Mysore City Municiplaity is out and out false charge. We beg to tender our protest on that charge.

p.t.o.

In the circumstances, we beg to implore you to be generously pleased to evade that charge and retain the President for some more years in the present position to enable us to avail the full benefit during his regime.

HAS THE CITY MUNICIPAL CONGRESS PARTY THOUGHT IT WISE IN BRINGING THIS MOVE?

The atmosphere of the Capital of Mysore State is full with the talk of No Confidence Motion against the President of the City Municipal Council and the public are wondering as to how such an indefatigable public servant, like Sri Ramachandra Rao Bambore, who for the last three and half years of service in this Royal City of Mysore has contributed his might in improving the sanitation, creating water and lighting facilities, and in extension of housing accommodation and in distribution of food, fuel and clothing to the poor people, should become a victim of such a fate It is a mystery that Sri Bambore, who had earned the appreciation of the Municipal Congress Party-whose policy was not 'to flatter Government Officers or honour them with their appreciation for his best possible services with complete harmony and concord with the Councillors, and whose goodness and efficiency was owned and recorded on 23 rd December 1946, should lend himself an object of a 'No Confidence Motion by the same party after a lapse of three months period While discharging his duty as a public servant, the President has won the approbation of all classes fo people, including the authors of the 'No Confidence' Motion and it is therefore, not out of place, to place before the public, how that cordial relationship between the Municipal President and the Councillors which existed and continued for more than three years has been strained so suddenly as to give room for such a dramatic step taken by the Municipal Congress Party in the Council

9090

The Municipal President is not an elected representative of the rate payers and consequently not answerable to the electorate but responsible to the Government only So far as the Municipal administration is concerned, he will carry on his business within the framework of the constitution obeying the orders of the Government and the Council will advise him in this respect In these circumstances if the President by his indifference, negligence or dereliction of duty has jeoparadised the Municipal affairs to the detriment of the commonman, he is susceptible for action at the hands of the Government So for there is nothing to show any such thing and on the contrary, he has endeared himself to all classes of people as is evidenced by the appreciation of his "Goodness and efficiency' by the biggest party in the Council, even against its avowed principal of non appreciation of Government Officers Therefore the 'No Confidence" Motion is sure to have no value in the eyes of the public as well as Government unless there are specific charges against the President of which the public are not aware of So long as the Post of the President is reserved for the Government Officers and is not made non official no purpose will be gained by such moves as the same state of things persists if A goes out and B steps

[illegible] the Government on the contrary he has [illegible]ceed by the appreciation of his [illegible] party in the Council even against [illegible] non appreciation of Government Officers Therefore a "No Confidence Motion is sure to have no value in the eyes of the public as well as Government unless there are specific charges against the President of which the public are not aware of So long as the Post of the President is reserved for the Government Officers and is not made non official no purpose will be gained by such moves as the same state of things persists if A goes out and B steps in

If the President is discharging his duties within the frame work of the existing constitution, the 'No Confidence" Motion seems to be ultra vires The reasons for such a move must naturally have no connection with the Municipal affairs It may be that the Municipal President did not lead the Council at the time of the recent visit of the distinguished President of the Indian National Congress to this City according to the desires of the Municipal Congress Party That Sri Bambore did not see eye to eye with the Municipal Corgress Party in this particular affairs may be a fact but his actions have in no way obstructed the Council to honour the distinguished guest and also he has helped in the matter to the best of his ability under the circumstances But, if that is the main cause for the move, it is to be regretted that the valuable achievements of a worthy President should be disowned on thatflimsy ground, which has no connection with the Municipal affairs of this City Anyway, there cannot be two opinions in regard to the fact that Municipal Council should not be madean arena of political wranglings It is unworthy that the Councillors who, having pledged to the rate payers to serve them, should adapt such methods, where there should be none

Even if the "No Confidence Motion is successfully carried out which is inevitable as the members of the party under the pressure of party descipline will have to vote for the motion-even against there own conscience, and against the wishes of the rate payers the result may be that Sri Ramachandra Rao Bambore may be transfered Will the Municipal Council or the Citizens of Mysore gain anything thereby ? The Citizens of Mysore City had the best services of the President especially during these critical times of want and scarecity and they stand to lose everything in that case Those Councillors who are responsible for the move, also stand to lose the services of Sri Bambore So " No Confidence " Motion brought about by Political motive is ruinous in every way Let the authors of the move think twice when there is still time and take wise Counsel Let peace prevail in the Council

I request you therefore kindly to obtain very early orders of Government in the matter and communicate the same to me In this connection, I am to state that much inconvenience is caused to disposal of important matters on the Council Agenda by frequent adjournments moved by the majority party in the Council

Before the meeting commenced, Mr P Gopalakrishna Setty enquired whether the proceedings of the meeting held on the 6th inst , were pasted in the Council Proceedings Book The President said that as already intimated at the previous meeting he had made a reference to Government in the matter and orders thereon were awaited

Mr T Mariappa said that they would not transact any business until the proceedings of the meeting held on 6-5-47 were pasted in the Book and were even prepared to face supercession of the Council on this issue

Mr Mir Noor Hussain said that the proceedings of that day's meeting convened by the Vice-President were ultra vires and should not find a place in the Book

The President informed the House that early orders in the matter were expected and appealed to the members to go on

with the business in the interests of the rate-payers as there were some important subjects to be considered

But the members of the Congress Party said that they would not transact any business until this Constitutional point was decided

Mr T Mariappa then moved

"Resolved that the meeting be adjourned to 2 P.M. on Saturday the 31st May 1947 "

Mr A Krishnamurthy Rao seconded it

Mr Mir Noor Hussain opposed the motion and said that the precious time of the Councillors was being wasted by the majority party by again and again adjourning the meeting and that he would not attend the meetings hereafter The motion was put to vote and was carried by a majority

MYSORE CITY MUNICIPALITY

Proceedings of the Adjourned General Meeting of the Municipal Council held on 22-5-1947 at 4 P.M , in the Municipal Offices

Before commencing the meeting, Mr.P Gopalakrishna Setty referred to the special meeting of the 6th instant held under the Chairmanship of the Vice-President and asked whether the proceedings of that meeting had been pasted in the Proceedings Book as requested in the last meeting

President - I am waiting orders of Government in the matter

Mr Gopalakrishnasetty - Why should we wait for the Government order about this?

President - I have given a ruling that the two propositions cannot be allowed and so a meeting cannot be called for. And as requested by the Vice-President, I have sent a note to Government, with a copy of the proceedings of that meeting If I were to act now in contradiction to my previous action, it will be inconsistent In this view the members seem to differ from me

Mr Gopalakrishnasetty The proceedings must be a part and parcel of the Council so far as we are concerned

President - I cannot paste it in the Proceedings Book nor can I delegate powers to the Vice-President for that purpose

Mr T Mariappa - The only thing remaining is to record the proceedings in the book If any safeguarding is required for you about this you may take precautions afterwards Government have no powers to intervene in these matters of the Municipal Council There are certain matters which require Government orders I realise the position of the President After you paste the proceedings, in the book, you may safeguard your position You were not present on the 6th inst When the Vice-President has conducted the meeting, he had to paste the proceedings but he did not get the proceedings book

President - I have myself written to the Vice-President that the meeting was not in order.

Mr Mariappa - There is no trouble in that If Government prove that they have got powers to veto this, you may act

according to their decision

President - I have given a ruling and I cannot violate the same

Mr Hariappa:- You need not paste The Chairman on that day was the Vice-President You, therefore, have practically no commitment

President:- When I went on leave, I had practically no idea that the Vice-President would call for and arrange for such a meeting Please wait for a day or two

Mr P Sitharamiah - What you have given is not a ruling at all You cannot say that there was a ruling on the floor of the House given by the President in the Council We may call it your opinion There was a physical failure on the part of the President The proceedings book is the property of the Municipal Council Whatever happens in the meeting should find a place in the Book After the proceedings are recorded in the Journal, the Government may say that the meeting was Ultra Vires and the proceedings may be expunged That will be a proper course, and not to refuse to give the proceedings a place in the Proceedings Book Whether legal or illegal, there was a meeting Proceedings took place Then it should find a place in the Book Before it is recorded, it would not be correct to reject it and seek orders of the Government for that Your reply did not form part of the meeting It is only a correspondence So, there cannot be any inconsistency in the proceedings being pasted in the book You may not record it The Vice-President will do that As for your part, at the time of confirmation of the proceedings you may say that you will not like it

President - I have given my honest opinion In conformity with that opinion I have to act If the Government refuse to allow the proceedings to be recorded in the Book, I cannot paste it If you think it right that the same shoul be pasted, I am sorry, I cannot concur with your opinion

Mr Sitharamiah - Under what provision of Law, do you

say that the resolution or proceedings cannot be recorded, and the same requires Government approval before doing so?

President - From my standpoint, I have given my opinion

Mr Mariappa:- You can only expunge the proceedings after it is recorded But you have no powers to withhold from being entered into the Book

President - It is against my opinion I have followed a course of action and I cannot change it

Mr Mariappa - You may say that the Vice-President was in the Chair and he has written the same The Superintendent said that the book was not available as the same was in the President's house and after it was brought, the Proceedings would be got written

Mr Mir Noor Hussain:- The Vice-President has a right to call for a meeting, when the President does not call a meeting When the President has disallowed the meeting, then the Vice-President has no power to call a meeting to consider the propositions declared ultra-vires by the President The meeting itself is invalid.

Mr Agaram Rangiah - ~~The meeting itself is invalid~~ I raise a point of order Are we going into the merits of the case? That is out of order

Mr K Puttaswamy - Why should Government's opinion be taken?

President I am at liberty to consult the Government. That is my opinion

Mr Mariappa - Until you are the President here, you should not look towards Government but to the Council

President -This is a legal matter, When the Council and the President differ and as such clarification by Government is sought for

Mr T.Narasimha Iyengar - I am prepared to take the responsibility Please give the book now I will paste the proceedings

Mr Mariappa - The whole Council takes the entire responsibility about this

President - Let us patiently wait till the Government's instructions are received

Mr Mariappa - Please report to Government that we are not prepared to transact any business until this is done

Mr Sitharamiah - What is the harm in getting it pasted? All the world knows that the meeting took place on that day

President - I have solicited instructions of Government in the matter

Mr P Sitharamiah - If the Government were to say that this is ultra vires I am afraid that some of us are prepared to test the same in a Court of Law

Mr Mariappa - Unless this is pasted we cannot transact any business You can report this to Government We are prepared for the worst We will go on adjourning the meeting till it is pasted and do not even mind being superceded

President - My request is this The Budget meeting is to come off tomorrow It cannot be put off Budget should go It is already overdue Let that meeting be conducted

Mr Mariappa - I move that the meeting to-day be adjourned to 31st instant

Mr Agaram Rangiah Please get a reply from Government to-day alone by phone

Mr Mariappa The ordinary monthly meeting will be held at 4 P M and this one will be at 3 P.M on 31st

President One hour's time may not be sufficient So let us have the adjourned meeting at 2 P.M. There are many important subjects for disposal which must be decided before June It will cause serious inconvenience to our accounts After all you are here in the interests of the city

Mr P Sitharamiah Then why do you stick to such formalities? I have tried my level best to convince you

Mr Mariappa - Then I move that this meeting may be adjourned to 2 P M on 31st instant We are prepared to finish this within one hour But let this be settled first

Mr A Krishnamurthy Rao seconded the same, This was carried

Mr Mir Noor Hussain said that he was sorry that he was coming here four or five times He was opposed to the adjournment and that he cannot come again

Mr M S Nanjappa We are also coming like that

Mr Mir Noor Hussain I am against it Please record this - my dissenting note on this

Then the meeting terminated

Dear sir,

In continuation of my D O letter No M5.P.141/46-47 dated the 23rd instant enclosing a copy of the proceedings of the Adjourned General Meeting, of the Municipal Council held on the 22nd inst , and also the discussions thereof and requesting you kindly to obtain early orders of Government in regard to the validity or otherwise of the meeting held on the 6th inst , under the Chairmanship of the Vice-President, etc , I enclose a copy of the proceedings of the Special Meeting of the Municipal Council held to-day the 23rd inst , at 2 P M. in connection with the consideration of the Budget estimates for 1947-48 as also a copy of the discussions thereof As usual the members of the Congress Party who are in the majority moved for an adjournment of the meeting and refused to transact any business in spite of their being told about the importance of the Budget meeting

As most of the important subjects relating to the administration of the Municipality are being unduly delayed, on account of this kind of attitude of the majority members, I request you kindly to obtain orders of Government in the matter for taking further action

Thanking you,

Yours sincerely,

The President commenced to read his Budget Speech when Mr.Mariappa, Municipal Councillor rose up saying he had a word of interruption He asked the President as to what action was taken regarding the pasting of the proceedings of the meeting held on 6-5-1947 The President replied that, as stated by him yesterday, he would take action in accordance with the orders received Mr Mariappa said that they would not transact any business, unless the pasting of the proceedings was done He then moved that the meeting be adjourned to 10th June at 2 P M. This was duly seconded by Mr P Sitharamiah

Mr.A Venkatesiah said it was not right that the meetings should be adjourned like this and that they were responsible to the rate-payers by whom they were elected No reasons had been given either by the mover or seconder of the proposition

as to why such an important meeting had to be adjourned especially when they had all come there for a specific purpose of doing business

The President said that no reason need be given for moving an adjournment proposition He however appealed to the members to have a general discussion of the Budget at least and reserve the passing of resolutions to a later date But the majority party pressed for the adjournment motion which was put to vote and carried 14 Voting 'For and 2 'Against'

Mr.F C Devaraj Urs demanded a Poll Mr Venkatesiah seconded it Accordingly it was granted

Proceedings of the Special General Meeting of the Municipal Council held on Friday the 23rd May 1947 at 2 P.M., in the Municipal Offices

---

When the President commenced the meeting with his Budget Speech, Mr T Mariappa said that before commencing the meeting he wanted to remind the President that yesterday they had requested him to paste the proceedings of the meeting of the 6th inst , otherwise they would not transact any business

President - Why mix up that meeting with to-day's Budget meeting? This is not an Ordinary meeting of the Council This is a Special Budget meeting Immediately orders from Government are received, I shall take action

Mr F C Devaraj Urs said that when there was an In-charge President on 6th, the Vice-President who conducted the meeting on that date, had no powers to do so So the meeting was invalid

When Mr Mariappa rose to move a motion for adjournment the President requested the members to have at least general informal discussions on the Budget and reserve the passing the resolutions to some other day to save time

Then Mr Venkatesiah said that they were not there on informal ground but on legal grounds He then said that the meetings of the Council were becoming a 'children's play(

Mr Agaram Rangiah took objection to the use of the word saying that it was unparliamentary and raised a point of order They were not children but city fathers

Mr B Narayanaswamy also spoke with strong feeling, objecting to the usage of that term by Mr Venkatesiah

Mr Venkatesiah said that he wanted reasons for adjournment and said that the primary duties of the Councillors were to look to the welfare of the rate-payers whom they represented and asked the President to rule out the resolution

Mr F C Devaraj Urs also appealed to the House to look to the interests of the 2½ lakhs of people in the City and whatever the differences between them and the President may be, they had to conduct that meeting and do service to people

The President then said in reply to Mr.Venkatesiah's request, that there was no clause that for adjournment motion reasons should be specified (He referred to page 24 and clause 13 of the Municipal Act)

The President once again appealed to the House to consider the importance and urgency of the Budget meeting and to co-operate with him in conducting the meeting, but the members of the Congress Party were bent upon adjournment

Mr T Mariappa then moved the following motion -

'I move that this meeting be adjourned to 10th June 1947 at 2 P M '

This was seconded by Mr P Sitharamiah

Mr Devaraj Urs requested that the proposition before the House may be put to vote and when the same was done, 14 members voted For and 2 Against

Mr Devaraj Urs demanded Poll and Mr Venkatesiah seconded this The result of Poll was as follows -

For	Against
1 T.Narasimha Iyengar,Esq B A.B L	1 F C Devaraj Urs,Esq.

Letter dated 29th April 1947 from Mr.T.Mariappa, B.A.,LL.B., Leader, Mysore City Municipal Congress Party, Mysore, to the President, City Municipal Council, Mysore.

With reference to your letter No.PC.3231 dated the 23rd April 1947, holding that the two resolutions sent up by me and 22 other Councillors, are ultravires of the powers of the Municipal Council, I write to state that your interpretation of Section 23(10) and 11 and 27(3) of the City Municipalities Act and rule 32 II-B of the Rules and Byelaws, is not correct and the two resolutions are perfectly in order. I may add that Section 27(2) is the proper and mandatory provision under which the President is bound to call for a special General Meeting and section 27(3) is merely procedural. Hence you cannot take shelter under that sub section. The first resolution is not ultravires of section 23(10) and merely expresses no-confidence. There is no prohibition in the Act or Byelaw for the moving of such a resolution on the passing of the resolution the President will not be deemed to have vacated his seat, in the case of a salaried servant of Government. So the resolution is in order.

The second resolution requests the Government to take action under section 27(11) and as such is also in order. You may recapitulate, that almost at every meeting the Council has passed resolutions requesting Government to take action, some of which are not entirely within the purview of the Municipal Council. Therefore in any view of the matter the resolutions do not contravene nor are they inconsistent with the provisions of the Act or Byelaws. I am constrained to observe that you have "failed to call a Special General Meeting under Section 27(2). I request you to kindly revise your views in this respect and to issue notices before the 30th evening for the Special General Meeting, to consider the two resolutions. If you fail to comply with this request, the Vice-President will be requested to take action under Section 27(2).

Copy of this is forwarded with compliments to the Vice-President, City Municipal Council, Mysore.

PRESIDENT.

30th April, 1947.

Dear Mr.Mariappa,

Your letter dated 29th April 1947 was put into my hands at 3 P.M. when I came to office after attending to the Trust Board Meeting.

After a careful consideration of all the points I have come to the conclusion that the propositions sent by you were inadmissible. The admissibility of the propositions is one of or rather the main if not the sole condition precedent for the calling of the meeting. Since the propositions are not in themselves admissible in my opinion I could not call for a meeting for the specific purpose of considering the disallowed propositions. As such I have not failed to call for a meeting as contemplated in the Act and I am sorry I cannot revise my opinion.

If you do not agree with my opinion, the proper procedure would be for you to approach Government and obtain their definite orders in the matter.

As regards the last sentence of your letter, I have to state the Vice-President or the Councillors may call for special meeting only when the President fails to call for the meeting. As pointed out above, I have not failed to call for a meeting within the meaning of the Act.

I believe that the Vice-President and the Councillors realise the gravity of the step that they propose to take and I hope that you will dispassionately consider all the points and come to a wise decision.

Yours sincerely,
Sd.R.Ramachandra Rao Bhombore.

Before the proceedings began Mr.Gopalakrishna Setty asked whether the Proceedings of the Special Meeting held on 6/5/47 had been pasted in the Proceedings Book The President replied that Orders of Government were awaited, in the matter as had already been intimated to them

Mr B.Narayana Swamy rose and said that there is nothing for the Government to Order Mr A Venkateshiah, rose up and wanted to know whether the meeting had commenced and whether the members were putting any questions pertaining to any interpellations If not, he said, the Agenda before the Council may be taken up Thereupon Mr.Narayanaswamy moved

"Resolved that this meeting be adjourned to 11/6/47 at 4 P M " This was seconded by Mr P Gopalakrishna Setty

P T.O

Mr A Venkateshiah opposed this on the ground that such adjournments were not in the interest of rate-payers of the City and that one party was taking up this attitude on some point of prestige

The Meeting was adjourned to 11/6/47 at 4 P M.

The President, City Mll of Mysore
Subj - No Confidence Resolution -
Mysore city Municipal proceedings
Sir,---

With reference to the Correspondence ending with Your letter No MS p 141, dated 24-5-47. on the above subject, I am directed to state as follows -

1 Whether the President is bound to call for a special meeting on the requisition of Councillors, even though the motion to be considered at the meeting is ultra Vires ?

Government consider that though otherwise bound to call for a Meeting under Section 22 (2) of the Mysore City Municipalities Act, the President has rightly disallowed the Resolution in question, as falling outside the purview of the Indian

WD 03697—GPB—30 000—2 2 46

granted under the Statute -

II Whether his refusal to call for such a meeting after ruling out the proposition as ultra vires, constitutes a "failure" as contemplated in section 27(2) of the Act?

Government consider that:- in the part of the Mayor President

there was no 'failure' as such to call for a meeting under Section 27(2) of the Act

III Validity or otherwise of the Meetings held on the 6th inst and passing the proceedings of that Meeting in the proceedings Book

Government Consider that the proceedings of the subsequent meeting of the Municipal Co are also void as the resolutions are clearly ultra vires of the Municipal Co - In this view, the question of passing the proceedings of the Meeting held on the 6th inst in the proceedings Book does not arise Attached

PRIVATE SECRETARY,
TO THE DEWAN OF MYSORE

Respected Sir,

We, the loyal citizens of Mysore respectfully beg t bring the following few lines for your deep consideration an suitable orders in the interest of Justice, fairplay and dignity of our State

We are much grieved to hear through the Press that a political party in the Mysore City Municipal Council has tabled two resolutions against Mr R Ramachandra Rao Bhombore President namely (1) the Council have no confidence in Mr R Ramachandra Rao Bhombore (2) The Council resolves that Mr R Ramachandra Rao Bhombore should be transferred at once in view of his inability to manage

As we are all aware, the honest and sincere services of Mr R Ramachandra Rao Bhombore are flawless and praise worthy With the kind sanction of the Government he has done a lot of good to the citizens in respect of roads, sanitation, housing problem and particularly the upliftment of Harijans The Revenue both in the Municipality and Trust Board have increased and there is very great satisfaction in the minds of the ratepayers generally

We know how the Bannimantap locality is improved an we are fully aware of the great satisfaction and kind approv not only of the Government but also of our Beloved Sovereign

The copy of the extract of the high appreciation of the party very recently made corroborates fully with our statements made above

Now presumably with a set purpose best known to the party itself they have tabled these two un-dignified resolu

unowrthy of being placed on records of the premier Mysore City Municipality which is said to be a model one even by the foreigners

We now write to request you either to stay the meeting by passing a special order or direct the party to withdraw the resolutions in question and thus maintain not only the prestige of the high office of the President (Deputy Commissioner but also the worthy name of our model State.

We shall be ever grateful to you and the Government, if you would be pleased to take action as requested above or such action as you deem suitable in safeguarding the interest of the high position and person of the officer who has been so loyally, sincerely and sympathetically discharging his duties in the most constitutional manner.

We beg to request you to take early action before it is late

Thanking you,

We beg to remain,
